

Estimate Request Form

Free pre-auction estimate

1. We are always accepting consignments for future auctions and provide free pre-auction estimates on prints and collections with artistic, historic, collecting and investment value.
2. In order to offer our clients a wide range of collectable photographs, there are no minimum consignment values for sellers. We believe that good quality photographs are always worthwhile collecting and selling, regardless of price.
3. If you are not familiar with all (technical) terminology, please consult our online glossary.
4. We will do our best to respond within a few business days.
5. Only send original prints by regular mail AFTER a written request by our staff.
6. Please fill in your personal information on this page. Use (copies of) page 2 to describe each item you want to be estimated.
